Form for Recording and Reporting Continuing Education

Dentists are required to have 12 hours of continuing education every year (up to 24 hours may be carried over), the courses must be "technical or scientific as relates to clinical care." This form may be used to track continuing education courses with appropriate documentation attached to the back. Keep this form and backup documentation in your possession until requested by the State Board of Dental Examiners. When requested, present a copy of this log and supporting documentation. Do not send original documentation. This is provided as a member benefit by Fort Worth District Dental Society.
