1. Help Marketing Your Practice Online - Find-A-Dentist® is an online database that profiles member dentists and makes it easy for new patients to find you. In a joint campaign with CVS Pharmacy, the ADA is marketing Find-A-Dentist® nationwide.
2. Provider Issues Support - members have access to experts in navigating dental benefit issues through the ADA's Third Party Payer Concierge. Speak to someone directly about your provider issue by calling 312-440-2500 or email dentalbenefits@ada.org.
3. Help with Finances - Managing student debt while also planning for your future can wreak havoc on your peace of mind. If you choose ADA membership, Laurel Road is the ADA's exclusive partner for student debt refinancing and provides members with an additional 0.25% rate reduction that could save \$33,000 on average, helping to close the gap that much sooner. To speak to someone call 855-277-6771 or email studentloans@laurelroad.com.
4. Evidenced-Based Clinical Resource Center - We've all had unique patient cases that send us in search of the most current clinical information to guide our decision-making. That's why so many let the ADA do the heavy lifting for them. Call the Library & Archives at 800-621-8099 or email library@ada.org.
